The beautiful new Junior High School completes a building expansion program of three phases which was begun in 1961. The first part was accomplished last year when students moved into the High School addition. This year the Glenwood students moved into the addition to their building, and, at the beginning of the second semester, the junior high students carried their belongings into the new school, thus completing the third phase.

The Junior High Building was dedicated March 17, 1963.

Republics, one after another have perished from a want of intelligence and virtue in the masses of the people. If we do not prepare children to become good citizens; if we do not develop their capacities; if we do not enrich their minds with knowledge; imbue their hearts with love of truth and duty, and a reverence for all things sacred and holy; then our republic must go down to destruction, as others have gone before it; and mankind must sweep through another vast cycle of sin and suffering, before the dawn of a better era can arise upon the world.

Our schools have kept us free. For a century and a half American schools have served and strengthened the commonwealth. They provided a citizenry as enlightened as any on earth. They justified and vindicated democracy's promise. If society clearly defines the new duties it wishes our schools to fulfill and if it steadfastly supports them with faith, they will surely justify that faith in the future as they have done in the past.

Congratulations class of 1963. What are our hopes for you as you find your place in the world?

First, I hope you can show America and the world, by your example, how to live—richly, fully, creatively.

Perhaps you can show how to make politics decent and responsible; how to make religious and racial equality a living and vital reality; how to administer the complex affairs of state and local governments with efficiency and cooperative understanding; how to enrich the lives of youth, middle aged and old through a totally new concept of education as a life-long pursuit, and of participation in the aesthetic and social arts as a lifetime pleasure.

Second, you can lead a compassionate interest in those less fortunate in climate or birth around the world. South of the Tropic of Cancer, the earth in a large measure is a vast rural slum. These people need help desperately; not because we need to feel superior, not because if we do not help them, the Russians will, but because they are fellow human beings to be valued for themselves.

Each of you must help to prove, by example, that American maturity can bring dividends of joy and creativity and a truly free society for all its citizens.

## Senior Class History

In September, 1959, 94 freshmen from the Rossford School District, met together, for the first time, as a part of Rossford High School. To aid us in our first year of high school were our advisers, Mr. Croop, Mr. Weber, and Mrs. Beockerman. To lead us in our class, we chose Jim Ewanski as president, JoAnna Wolfe as vice-president, Jim Jarosi as secretary, and Wanda Szabo as treasurer. Diana Cuprys was our representative as basketball attendant.

Soon it was 1960, and we were sophomores. Mr. Kohler and Mrs. Mestre were our advisers. We elected Diane Haas as president, Jim Jarosi as vice-president, Theresa Colapietro as secretary, and Karen Tadsen as treasurer. Theresa Colapietro was our basketball attendant.

As sophomores we finally had the opportunity to prove our ability. On December 17, we sponsored the Christmas Ball, "Winter Wonderland." The dance was a success.

All too soon our sophomore year ended and we were juniors. With Mr. Butt and Mr. Wolfe as our advisers, we chose Bob Ricketts as president, Jim Ewanski as vice-president, Sandy Minarcin as secretary, and Artie Grunst as treasurer. JoAnna Wolfe and Tina Shufeldt were our football attendants, and Sandy Minarcin was chosen as basketball attendant.

Our junior year was a busy year. We did many important things. We presented our J-Hop, "Over the Rainbow." Under the direction of Mrs. Weber we successfully presented our class play, "Brother Goose." In November, 1962, we finally received our long-awaited rings. We were the first class to get diamond-cut stones. May 19, we said farewell and wished our best to the seniors at our ball, "Sentimental Journey."

At last we made it to the top. We were SENIORS! Since this was to be our last year at Rossford High School, we decided to make it our best so that everyone would remember the class of 1963. Being greatly aided by our advisers, Mr. Deimling and Mrs. Baggett, we chose for our final year, Dan Moser as president, Artie Grunst as vice-president, Anne Lewis as secretary, and Tina Shufeldt as treasurer.

Again under the able direction of Mrs. Weber, we presented "Class Ring" as our play. It was a huge success.

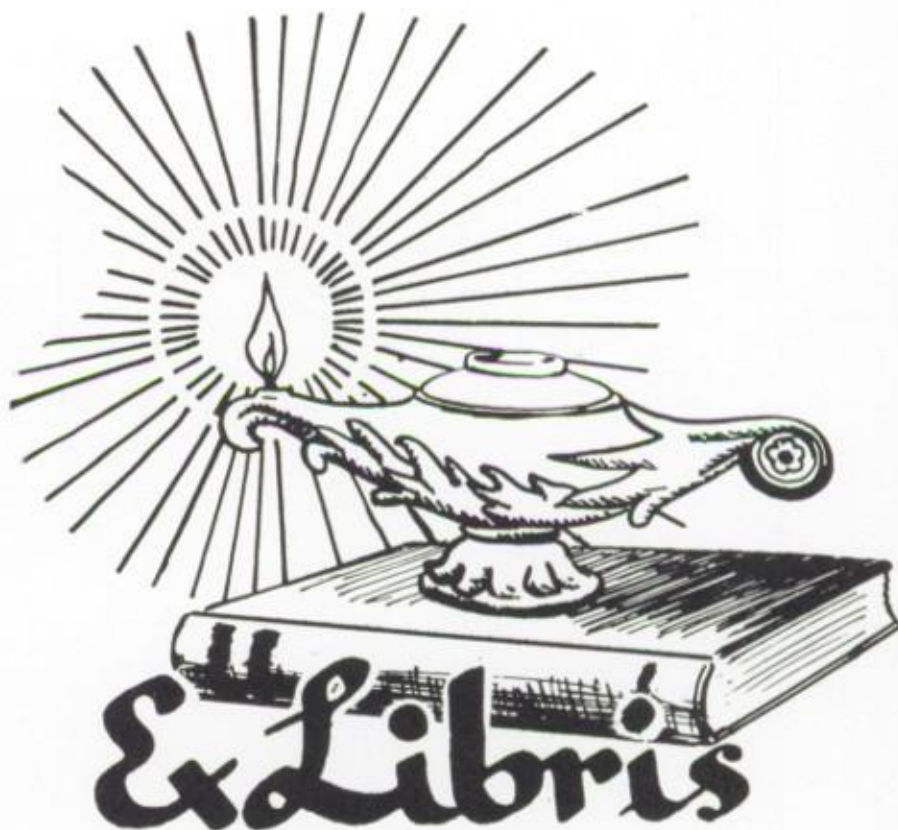

One cold Saturday morning in December our senior pictures finally arrived and were distributed to us.

Now it was the juniors' turn to bid farewell to us at their ball on May 25. Our heart-felt thanks go to them for making our last ball a most memorable one.

In the evening of June 2, we left on our senior trip to Washington D.C. and returned the morning of June 6, the day before commencement. Our senior trip was but one of the many highlights we shared at Rossford High.

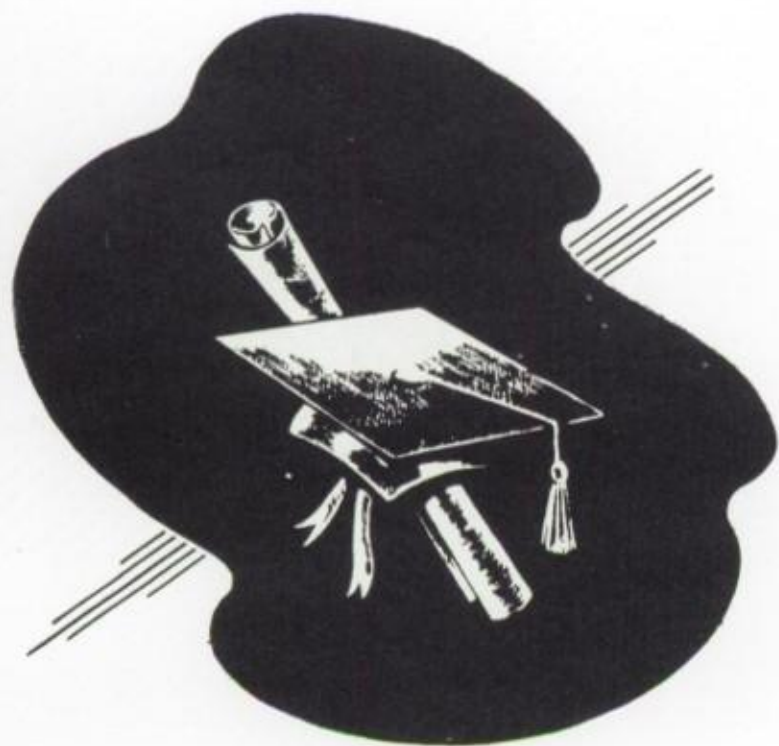

On June 7, full of joy and sorrow, we said good-bye to high school life, making the class of 1963 only a memory to Rossford High School.

Although we were very sorry to leave Rossford, we were happy and eager to make our alma mater proud of us by endeavoring to make our future the best.

Our hearts are with you Rossford High,  
We'll stand by you until we die.

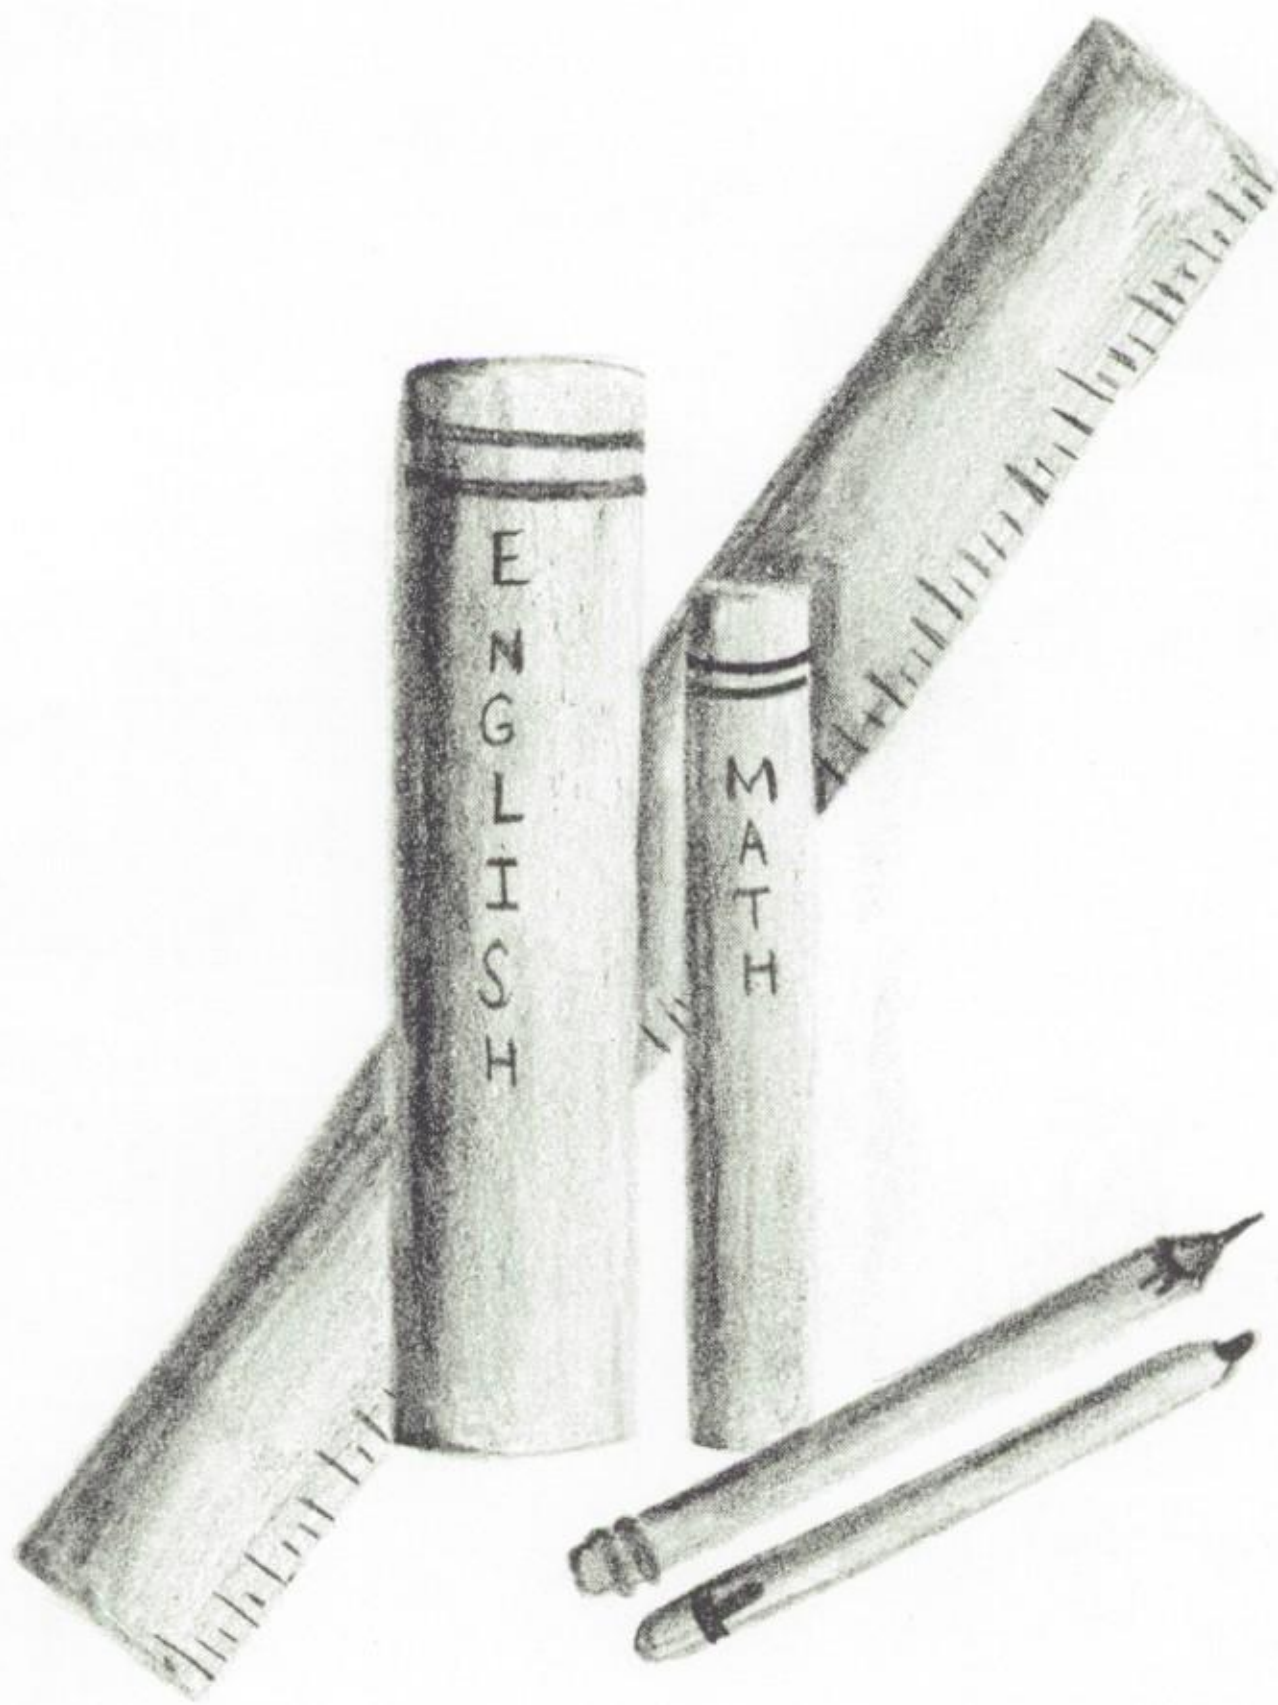

Respectfully submitted,  
Tina Shufeldt

## *The Varsity Season*

*Rossford 20    Lake 14*

A capacity crowd of 1700 people were treated to a real ball game on the Bulldogs' first time-out. Jack Tisdale led the scoring with 3 T.D.'s. Rossford did all its scoring in the first half. The second half brought two very haggard but fighting teams back on the field. The Bulldogs, full of fight all the way, just couldn't break a tough Flyer defense.

*Rossford 12    Maumee 14*

A last second freak play ended a heartbreak game for the Bulldogs. The score was tied with less than a minute to play when the Panthers plunged to the Bulldog four yard line and lost the ball on a fumble. The next half minute will be remembered in bulldog history as the finest fighting spirit ever shown by any team. The first play from scrimmage was an incompleated pass. Q.B. Art Grunst was injured on the play and sophomore "Butch" Emch was in to fill his spot. With 14 seconds left in the game Butch went back to pass and was tackled in his own end zone. This was probably the most misunderstood play ever seen, but in Coach Jackson's own words, "We thought we could win it, and the boys gave it one devil of a good try." "We were never prouder of them."

*Rossford 14    Genoa 0*

After playing a fierce 0 to 0 first half the Bulldogs finally found the key to unlock the Comet defense. It came in the form of a 30 yard end run late in the third quarter. The other came in the fourth period on an interception and 30 yard run back.

## *Rossford 28 Anthony Wayne 8*

This was a big game for both teams. The Bulldogs got the Generals by the seat of their britches and pinned a painful loss on the Generals. Unable to overcome a rugged Bulldog defensive line, the Generals only scored once in the first quarter. The offensive line gave our backs a lot of running room. This was a nice offensive and defensive game.

## *Rossford 8 Springfield Local 0*

The Bulldogs met with a fired up Blue Devil defense and the game turned out to be a defensive battle from the start. Fighting all the way, the Bulldogs finally scored early in the fourth period. The Bulldogs held off a Blue Devil attack to make it a thrilling homecoming game for a capacity crowd and Queen Diana.

## *Rossford 12 Perrysburg 12*

It seems as though wherever Rossford went that was where the crowd went. An overflowing crowd of 3500 came to see the two "river rivals" battle to a 12-12 tie. The real heartstopper came in the last second when the Perrysburg Yellow Jackets shot over for the last score of the game. With no time showing on the clock the Jackets tried to kick for the conversion but a tough Bulldog defense said no! And that's the way it stayed.

## *Rossford 38 Eastwood 20*

The Bulldogs finally defeathered a pesky Eagle team with a 16 point fourth quarter. The see-saw battle continued for three quarters. Finally, in the fourth period the Bulldog paw came down with

a crash, and when the feathers finally settled and the scoreboard could be seen, it read 38 to 20.

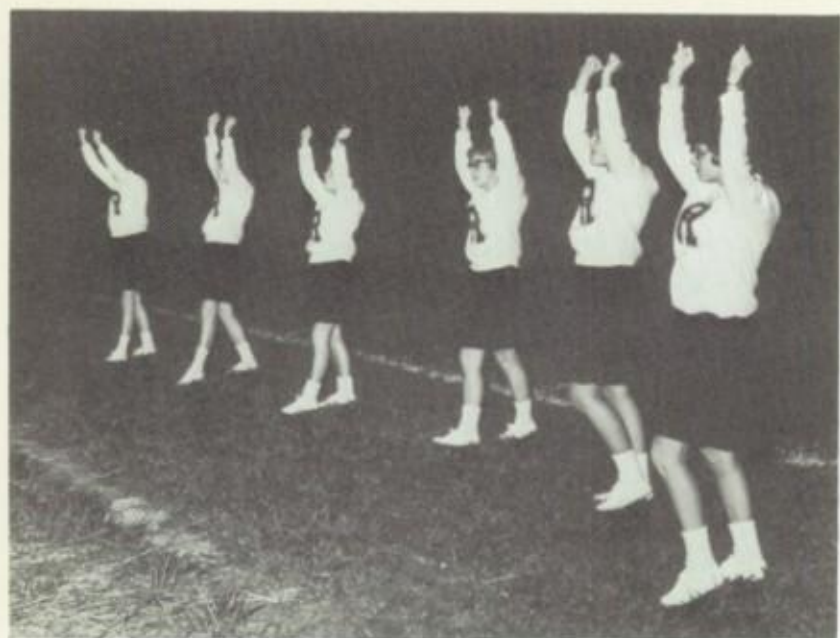

## *Rossford 0 Port Clinton 27*

A hard game to lose, but true to the fighting Rossford spirit, the Bulldogs never said die. A tired line kept trying to open the holes for the backs to get through right to the final gun. Unable to do so the backs tried valiantly to make holes for themselves but to no avail. A real heart breaker but a very good try.

## *Rossford 58 Elmwood 12*

Rossford completely out classed the Royals on their final game. The Bulldog "Blitzkrege" attack lowered the boom on the Royals right from the start and just never let up until the final gun. The game but badly worn Royals didn't score until the final quarter.

All in all it was a fine season with a 6-2-1 mark. But more important was the sportsmanship and the never say die attitude that they carried with them into every game. Congratulations boys for a job well done.

## Varsity Season

### *Rossford 50 Genoa 36*

Rossford jumped off to an early lead in subduing Genoa, 50-36, in a Northern Lakes opener. Larry Emch and Jim Jarosi, Co-captains, led the scoring with 14 and 13 pts. respectively. The Bulldogs hit 20 of 51 shots for 39 percent. Rossford had a hot first half, hitting 30 pts. while holding the Comets to a total of 10. From then on it was just a question of Rossford holding on to win the first game in N.L.L. action for the season.

### *Rossford 48 Maumee 41*

Rossford then went on to defeat the Maumee Panthers 48 to 41 to remain first place in N.L.L. Bob Utley and Jim Jarosi led the Bulldog attack with 19 and 15 points. After trailing 25-18 at half-time, the Bulldogs pulled to a 34-32 lead as the fourth period opened. A 14 point fourth quarter then gave the Bulldogs a win.

### *Rossford 52 Elmwood 26*

A fine Homecoming crowd of 1,500 people witnessed the crowning of Queen Jo Anna and the "de-throning of the Elmwood Royals. Bob Utley and Larry Emch led the scoring with 19 and 18 points. Two things, Rossford's board strength and Elmwood's inability to score, were the most important aspects of the game.

### *Rossford 43 Eastwood 35*

Moe Minarcin was the hero of the night with a 64 foot hook shot at the end of the third period, which gave Rossford all it needed to hang up their fourth straight N.L.L. win as they spirited to a 38-39 margin early in the fourth period and made it stand. Minarcin led the Bulldogs to its 10th win against a single loss with 14 points.

### *Rossford 52 Port Clinton 33*

It was 12 straight for the Bulldogs, as Port Clinton fell to a hot Bulldog five. Bob Utley, (19 points), and Larry Emch (10 points) led Rossford to a hard fought victory. A slim 24-20 half-time lead was lengthened by a 18-point fourth quarter. Senior Co-captain Jim Jarosi was the fourth period spark as he put in two long ones and put the icing on the game.

### *Rossford 46 Lake 64*

Rossford's twelve game winning streak was all over as they fell to a red hot Lake Flyer team for the first time since Nov. 21. 64-43. A turn-away crowd witnessed the Lake Flyers tie the Bulldogs for the N.L.L. lead. In the fourth period with about four minutes to go in the game, Lake opened up its biggest lead of the night 57-32 only to have the Bulldogs surge back to narrow that margin to 18 points. Bob Utley paced the Bulldogs with 19 points, followed by Larry Emch with 11.

### *Rossford 57 Perrysburg 45*

Bob Utley (17 points) and Jim Jarosi (15 points) paced the Bulldogs to a 57-45 win over "river-rival" Perrysburg. The score was tied 41-41 with 4 minutes remaining when Jim Jarosi hit a twenty foot set shot and put the Bulldogs out ahead to stay.

### *Rossford 27 Anthony Wayne 26*

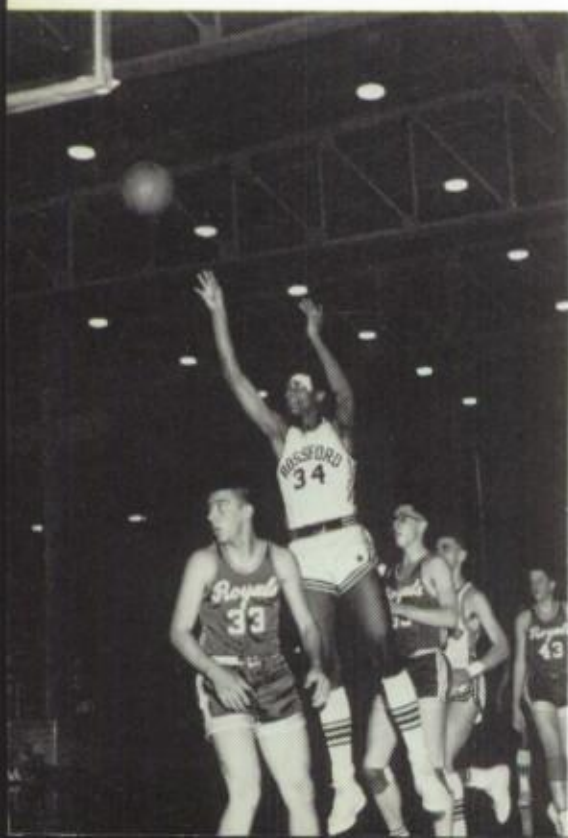

The last game in the Bulldogs regular season proved to be an exciting one. Bob Utley (9 points) and Larry Emch (6 points) led a defensively minded Bulldog team to a 27-26 win over the Generals of Anthony Wayne. A purely defensive night as the Bulldogs worked for the good shots. The thriller came in the last 24 seconds when the Bulldogs lost the ball. With 10 seconds left in the game the ball was put up by General Al Strezelicki and was fouled with only 5 seconds left. He missed both free throws and Jim Jarosi got the rebound and Rossford became the N.L.L. co-champs for 1963.

### *Rossford 43 Perrysburg 39- Tournament*

Meeting the Yellow Jackets for the 3rd time in the season, the Bulldogs won their first tournament game on their home court. It was a slow, deliberate contest, the score being 15-14 Rossford at the half. The Bulldogs led all the way, with Sophomore Bob Utley scoring 15 points.

### *Rossford 37 Libbey 44- Tournament*

The best played game of the year just wasn't enough to give the Bulldogs a victory as the Libbey Cowboys downed Rossford 44-37. Jim Jarosi (14 points) and Bob Utley (12 points) led the Bulldogs but their 26 points just weren't enough. As Cot Marquette said "We have nothing to be ashamed of, we fought and lost, but we tried!"

## What a wonderful Open World

Have you noticed schools like this on your travels? Probably, because new buildings are springing up everywhere. They are beautiful and functional structures with large glass areas to create an "open-world" atmosphere to eliminate the feeling of being boxed in.

Wherever you live, work, shop or travel, you'll find L-O-F Glass making it more enjoyable. In homes, motels, schools and stores. In offices and factories. In hospitals and churches. In cars, buses, trains and planes.

There's an L-O-F Glass that insulates windows. It's called *Thermopane*® insulating glass. Another subdues sun heat and glare. L-O-F Glass that makes automobiles safer. L-O-F Glass to do a thousand things.

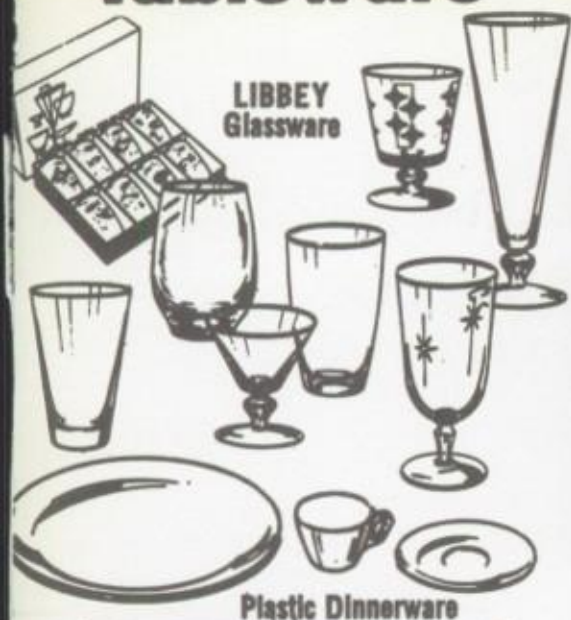

And when anyone needs glass, there's an authority on it nearby—your local independent L-O-F Glass Distributor or Dealer. His name is in the telephone book Yellow Pages under "Glass". Call him.

Laboratories, shops and studyrooms are separated from twin classroom buildings by a broad, central court, Ithaca Senior High School, Ithaca, N.Y. Architects: Perkins & Will, White Plains, N.Y.
